#### EVEN EMBARRASSING MEDICAL EXAMS

1. A man comes into the ER and yells, 'My wife's going to have her baby in the cab!' I grabbed my stuff, rushed out to the cab, lifted the lady's dress, and began to take off her underwear. Suddenly I noticed that there were several cabs ---and I was in the wrong one.

Submitted by Dr. Mark MacDonald, San Francisco

2. At the beginning of my shift I placed a stethoscope on an elderly and slightly deaf female patient's anterior chest wall. 'Big breaths ', I instructed. 'Yes, they used to be,' replied the patient.
