Treasurer's report \$487.71

We talked about the District Campout at Denton in March, National Board hospitality and Retiree Rally in March at South Carolina, NC Statewide Campout in April, Southeast Regional in June in Virginia and National Campvention in Michigan in July.

NC FCRV posters were passed out. Please put them in business establishments. This is great way to advertise FCRV and the NC State Association.

Betty Eury encouraged our children to compete in the poster contest, the winning poster will go to National.

Some discussion was held regarding the fact that we are not getting a NC State newsletter.

The Charlotte RV Show is now history. Thanks to everyone who worked and made it a success. A special thank you to Yvonne for heading it up. I will be sending this newsletter to the 27 families who signed up to receive it.

An old lady was standing at the rail of the cruise ship holding her hat so that the wind wouldn't blow it away.

A gentleman approached her & said, "Pardon me, madam, I do not intend to be forward but did you know that your dress is blowing up in this wind?"

"Yes, I know," said the lady. "But I need my hands to hold onto my hat."

He Said, "but madam, you must know that you're derriere is exposed!"

The woman looked down, then back up at the man and said, "Sir, anything you see down there is 85 years old, but I just bought this hat!"

Quote from Franklin P. Adams: There are plenty of good five-cent cigars in the country. The trouble is they cost a quarter. What this country needs is a good five-cent nickel.
